Philips
Two silicone cases

for iPod touch 4G

DLA4217

Protection & improved grip

in a choice of colors

These two cases feature our internal ShockStop design to cushion your device & protect it from shock. Wrap-around protection protects the face of your device while offering total access to controls.

Gripable protection
- Silicone adds grip and protection
- Quick and easy protection in a snap

Protection on the go
- Honeycomb construction deflects vibration & dissipates shock

Convenient access
- Access to all controls and dock connector

Express yourself
- Multi-pack lets you pick your favorite to change it up

PHILIPS

- Gross weight: 0.640 lb
- Nett weight: 0.298 lb
- Tare weight: 0.342 lb
- GTIN: 1 06 09585 20552 6

Highlights

Protective silicone
This case is made out of soft silicone which adds a layer of grip to your player, while it also protects your device against normal wear and tear.

Multi-pack: Pick your favorite
With a variety of styles to choose from, you can select your favorite for the day, then change it up the next day. Express yourself - match your outfit, your mood, or your player.

Protection in a snap
This case is made from a durable material that is custom made to fit your device perfectly. The case is quick and easy to put on, and adds a layer of protection to your device.

ShockStop
ShockStop protects devices with a walled tri-form construction that dissipates shock. Unlike a solid surface that can conduct vibration, the segmented ShockShock surface pattern interrupts & stops reverberation.
